All-Star Bulletin #1 out of 3

Welcome to the 2023 All-Star Football Game – our 76th!

You have been selected to play in one of the most prestigious events for North Carolina high school athletes. We try to select the best players in each sport and students of good character. We congratulate you on your selection and are looking forward to your participation in our All-Star activities in Greensboro.

Because of the many plans required to make the All-Star experience in Greensboro as memorable as possible, we *must* be notified immediately if you cannot play and will have to be replaced. Please save everyone embarrassment by letting us know promptly if you have been indicted or convicted of a felony offense. For this reason, you would cause yourself to be ineligible to play in the East-West All-Star Game.

You and your high school coach need to get together to make sure you'll be bringing the proper equipment. College-issued equipment is not allowed by us or by the NCAA. Football players will receive an equipment checklist in a later mailing. Your high school coach can also be helpful with transportation needs. We provide housing, meals, and transportation while you are with us for practice and your game. You and your teammates will be staying at a local hotel and details about your housing location will be included in a later bulletin.

If you haven't already done so, we need you to **submit a good quality head and shoulders photo** of yourself to be used for your biography in our program. This photo should be emailed to: eastwestprogram@gmail.com. This is a professionally prepared publication that we think you and your family will want to keep as a reminder of your All-Star experience.

You will need to have **2 documents on file** with us before being permitted to play: **(1)** a physical exam that is current on the date of your All-Star game - a copy of your high school sports physical (if still valid at game time) or a copy of a recent sports physical for college or employment are acceptable, **(2)** the Concussion Statement with appropriate signatures. If you haven't already done so, please mail, fax, or email these to us now. We also need you to email us if you have committed to playing for a particular college or received more honors since you first completed your Acceptance Form. **Please** take care of these items so all our lives will be easier.

The All-Star Game will be played: **Sunday, Dec. 17th at 2:00 p.m. (Jamieson Stadium, Grimsley HS, Greensboro, NC)**
