All-Star Bulletin # 2 out of 3

Dear All-Star,

I've said before, and will probably say again, that being an All-Star will be one of your most memorable moments. You're joining a list of the greatest athletes North Carolina has produced. Of the over 200,000 students who play in North Carolina high schools each year, only 184 are chosen to be All-Stars. This year, 2023, is the 75th year of the All-Star Games and we hope you'll take the same great pride in making them a success as have those who preceded you.

While you are in Greensboro you will be under the direct supervision of your coaches, an adult athletic trainer and security personnel. You may want to read this sentence to your parents so they will be comfortable in knowing that we're going to keep you pretty busy and you won't have an opportunity to go anywhere apart from the team. If you drive to Greensboro, we will secure your car within the field house compound at Grimsley HS or SW Guilford HS until just before your game. You will not be allowed to drive while you are here.

You will need plenty of socks as you will go through them quickly. Also, make certain your shoes are well broken in. All players will need to bring game shoes as well as practice shoes.

If you haven't done so, send us your **sports physical**, and **concussion form** as soon as possible.
